Values and Purpose in Action Leadership Series

A community of forward-thinking leaders

“Values and Purpose in Action” speakers share how they align values in day-to-day business to stay true to their stated mission, vision and organizational values.

Each session includes:

- Speaker insights from accomplished top leaders
- Innovative, relevant and practical ideas you can put into action immediately
- Networking with a variety of leaders from diverse organizations
- Time for your organizations team to discuss ideas and commit to action

Benefits of joining:

- **Be inspired and challenged** by speakers and participants who are committed to living and aligning their values and purpose in best practices and toughest challenges.
- **Develop leadership skills** as you engage and learn with leaders from a variety of organizations and industries.
- **Gain practical and relevant ideas** for your teams and organization that you can put to action immediately to create ongoing alignment.
- **Build relationships and network** with other leaders committed to action.
